# POLK ON POINT!

*GEOCACHING: Polk County, Georgia*

## Rules:

To participate, you must have an account or create an account at [www.geocaching.com](http://www.geocaching.com). Having an account allows access to the coordinates necessary for finding the caches.

- Use the log form created for this challenge to log your finds. Each cache has a specific number. Found within each cache is a punch and code word. Punch in the corresponding box and record the code word found in each cache.
- You must log your find at [www.geocaching.com](http://www.geocaching.com) using the handle provided.
- To be eligible for your prize, you must find all 10 caches and log your finds as specified above. Once all caches have been found, return the completed log form to either the Cedartown or Rockmart branch of the Polk County Chamber of Commerce.
- Ethical Geocaching: Geocachers who damage, vandalize or move caches, or otherwise treat any cache in an un-sportsmanlike manner will be disqualified. The goal behind Polk On Point is to promote geocaching in the Polk County area and to promote the appreciation of the historical, cultural, natural and recreational opportunities that we have to offer.
- For more information on the sport of geocaching, visit the online headquarters for the worldwide community of geocachers, [www.geocaching.com](http://www.geocaching.com). You'll find information about how to get started in geocaching and learn more about this fun outdoor activity.
